

DEFENDER PRO[®]

Fogging Odor Neutralizer

Skunk
Dead Animals
Decay
Garbage
Smoke

Defender Pro Fogging Odor Neutralizer contains a fast drying odor counteractant to lock up active odor causing molecules.

Use Defender Pro Fogging Odor Neutralizer to eliminate odors caused by:

- Skunk Odor
- Dead Animals
- Decay
- Garbage Rooms
- Hotel Rooms
- Smoking Rooms
- Autos
- Sick Rooms
- Pet Areas

For best results close all windows, doors and air vents.
TURN OFF ALL IGNITION SOURCES SUCH AS PILOT LIGHTS AND
EXTINGUISH OPEN FLAMES (Candles, cigarettes, etc.)

LIGHT ODORS: Use as you would a hand held aerosol. Press grey button for 10 seconds and spray upward. For larger areas, spray and walk around room. Release button when finished. (If button locks, use your thumb and press button up to unlock.)

SEVERE ODORS: Use as a full release. Position fogger on a piece of paper in the center of room, press down on the grey button until it is locked and leave area until can is completely empty. Contents should empty within one minute. One can of Defender Pro Fogging will neutralizer odors in areas up to 8,000 cubic ft.
