

DEFENDER PRO[®] PREDATOR

Bioactive concentrate

DEFENDER PRO PREDATOR is a bioactive concentrate that consumes and eliminates the source of odors. The high bacterial count and fragrance load eliminates odors leaving a fresh clean scent that lasts.

Concentrated formula

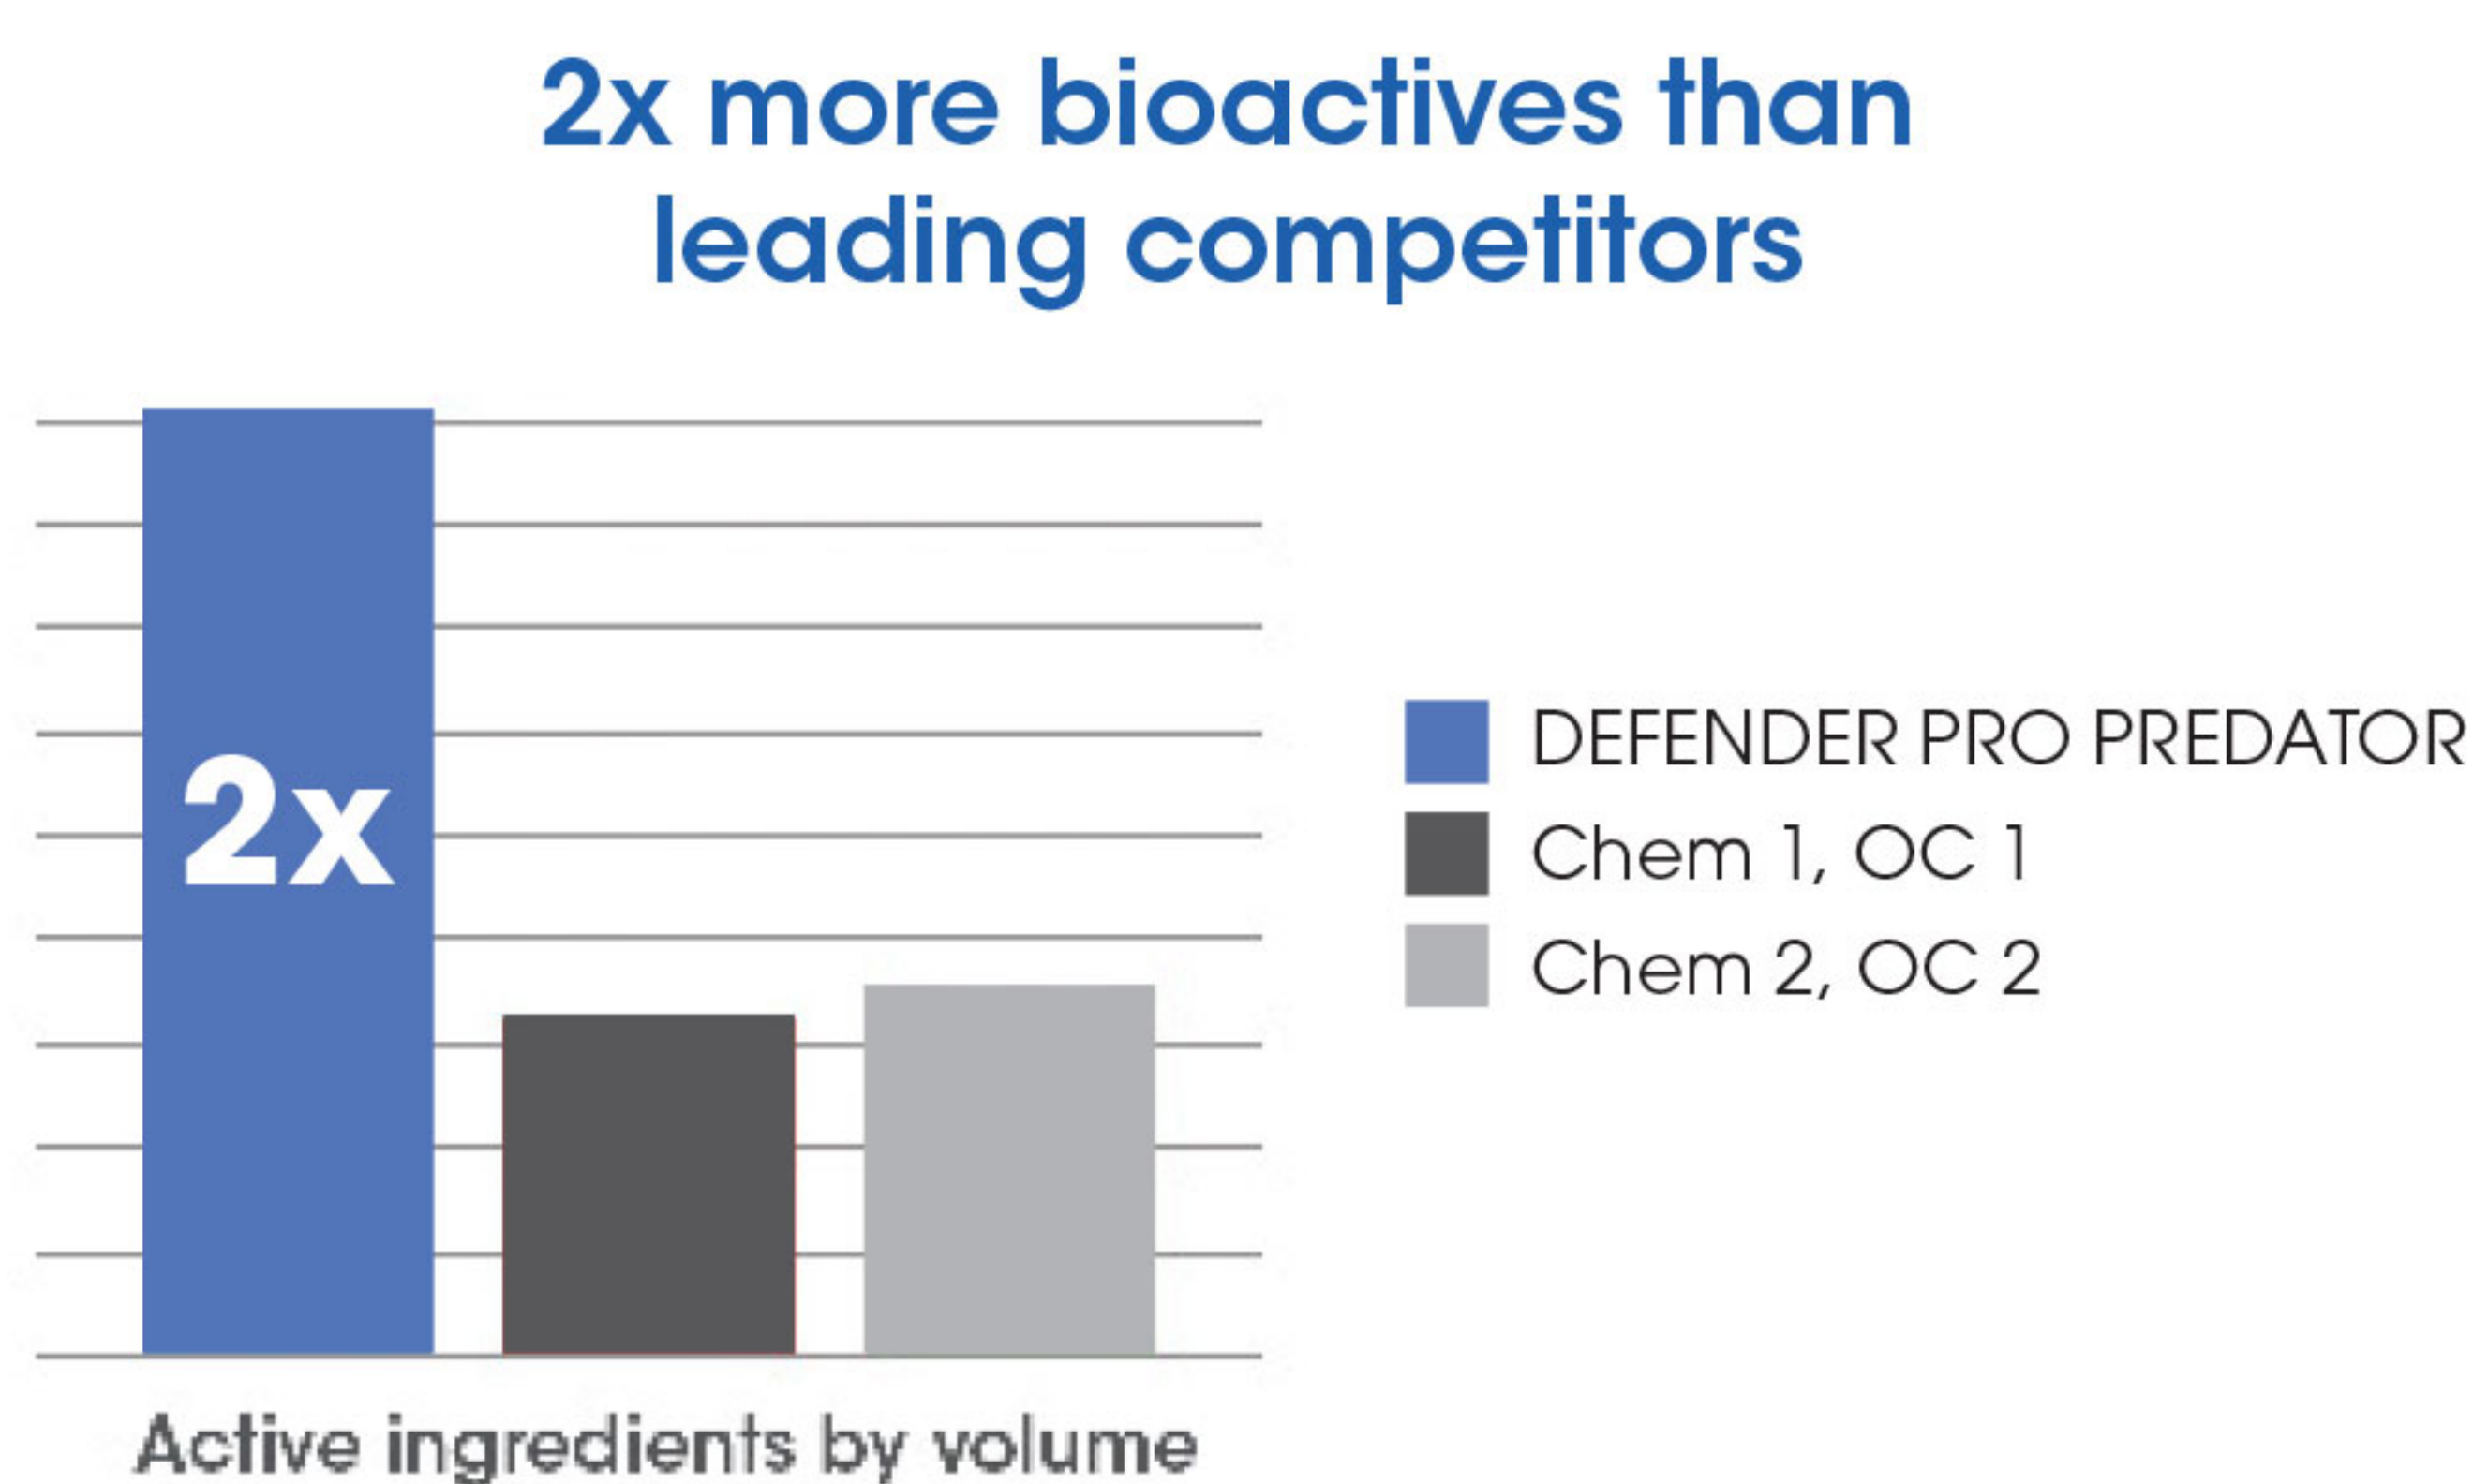

Contains twice the bioactive content of leading competitors, ensuring a deep-down clean.

Versatile applications

Is specifically formulated to consume urine, waste, food, grease, pet messes, and dander. The clear formulation can be used safely on a variety of surfaces to clean and deodorize.

Eco-friendly

Readily biodegradable, 50-state VOC compliant, water soluble, non-acid, non-caustic, non-flammable, water-based formulation.

DEFENDER PRO PREDATOR cleans deep down where tough odors settle

- Do **NOT** mix with other harsh chemicals such as bleach, which will kill the good bacteria in DEFENDER PRO PREDATOR and stop the bioactives’ effectiveness on odors.
- Do **NOT** dry or rinse areas that have been cleaned with DEFENDER PRO PREDATOR. The good bacteria multiply and consume odor sources over time.

Application	Dilution	How to Use
Grout (around toilets & urinals)	1:32	Mix 4 oz./1 gal. of water. Spray on grout and let dry.
Mop Water	1:64	Mix 2 oz./1gal. of mop water. Mop as usual.
Drains (sink & floor)	full strength	Pour 4-8 oz. down the drain/ day. Every 2-3 days to maintain. Do not flush the drain after treatment.
Carpet Cleaners	1:64	Mix 2 oz./1 gal. for use in a carpet cleaning machine
Spot Clean (soft surfaces)	1:4	Spray on, wait 10 minutes. Blot clean with a sponge or towel.
Pet Messes	1:1	Spray on, wait 10 minutes. Blot clean with a sponge or towel.
Dumpsters	full strength	Spray sides and bottom of dumpster completely.

Meets the “Purchase of Sustainable Cleaning Products and Materials” criteria under the LEED point management system.
